

# F.O.R.C.E., Int

## TECHNIQUE SUPPLY LIST

To: **F.O.R.C.E., Int. Comprehensive Orthodontics Course Participants**  
 From: Dr. Richard A. Litt/Ms. Suzanne Johnson  
 Re: Orthodontic Technique training supplies and instruments for "Comprehensive Orthodontics"

Please bring the following items with you to the "Technique" portion of your program (they are **necessary** for the typodont exercises). There are other ancillary instruments that will be helpful in the practice of orthodontics which are listed on your inventory list.

Each participant must purchase a Bonding Kit (part #740-0110) which includes a "bonding" typodont, brackets and adhesive, for the bonding exercise. This Bonding Kit will be sold to F.O.R.C.E. participants at a discount. This contains enough composite for the full bonding of approximately 15-20 patients.

You may order these products through **Suzanne Johnson, R.D.H., M.S.**, by faxing your order form to **(248) 850-1433**. You may also e-mail your requests to: **suzannej@forceint.com**.

The working typodonts, utilized for archwire exercises and basic orthodontic technique procedures (specially prepared for our exercises), demonstration appliances, and orthodontic materials will be provided by F.O.R.C.E., Int. and Ormco Corporation of Orange, California.

	ORMCO CATALOG #	ITEM DESCRIPTION	QUANTITY
<p><i>Everyone attending "Comprehensive Orthodontics" must bring these 12 items to the Technique portion of the program.</i></p> <p><i>It is imperative that each Doctor purchase the Bonding Kit to complete the exercises on bracket placement/bonding technique.</i></p>	#803-0175	Bracket Holder
